

Question 1:

According to the Bar Graph generated from the information provided. We can see that startups in Bangalore have received the fundings maximum number of times. Hence, Bangalore city would be the most preferable to establish the startup.

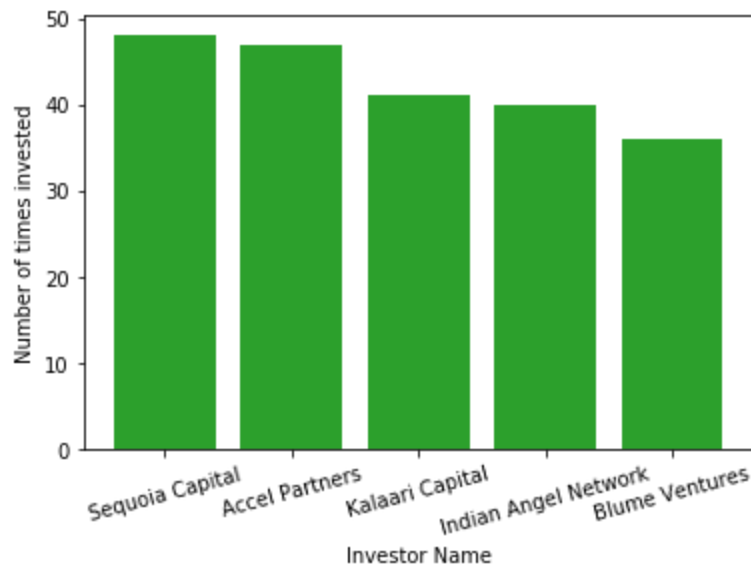

Question 2:

Sequoia Capital
Accel Partners
Kalaari Capital
SAIF Partners
Indian Angel Network

These are the five investors who have invested the most number of times in startups. So, these investors are very likely to invest in your startup as compared to others. So, approach them for fundings.

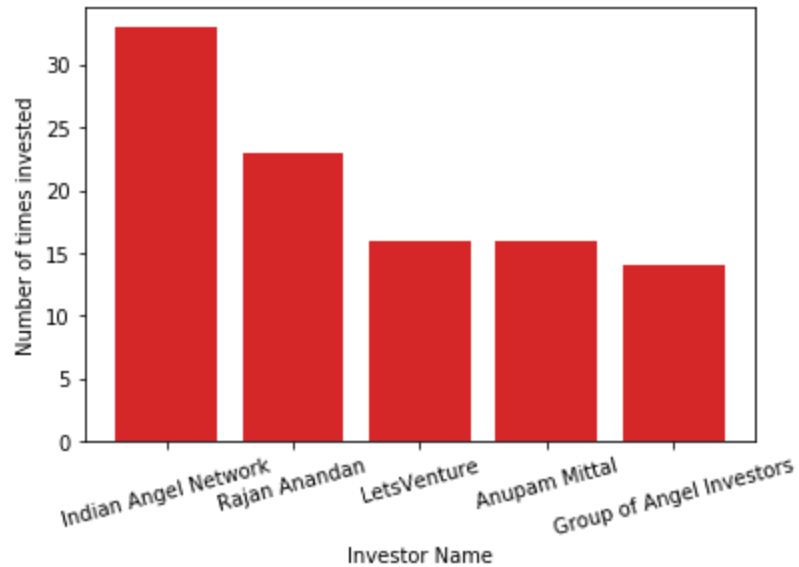

Question 3:

Sequoia Capital
Accel Partners
Kalaari Capital
Indian Angel Network
Blume Ventures

These investors have invested in more number of different startups. So, try to get funding from these investors instead of the previous list because in the previous list I also considered those investors who have invested in the same startup in multiple funding rounds.

Questions 4:

Indian Angel Network

Rajan Anandan

LetsVenture

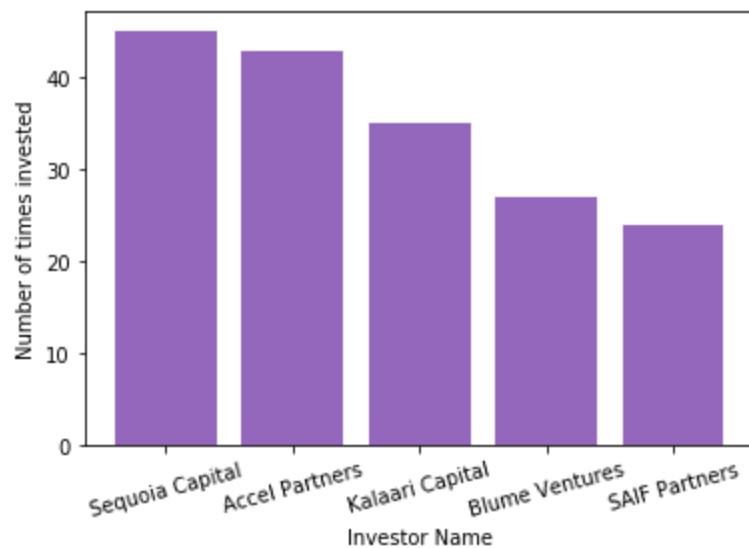

Anupam Mittal

Group of Angel Investors

Since an early stage startup is best suited to receive either Seed Funding or Crowd Funding.

This list of investors have invested in more number of startups with either Seed Funding or Crowd Funding.

Question 5:

Sequoia Capital

Accel Partners

Kalaari Capital

Blume Ventures

SAIF Partners

Since the startup is not an early stage startup but in a growth stage. So, the investment type of Private Equity is best suited for funding. This list of investors have invested in more number of different startups with investment type of Private Equity.
